

communicator.h

```
graph BT; interface_h[interface.h] --> communicator_h[communicator.h];
```

A diagram illustrating a header file dependency. At the bottom is a white rectangular box with a black border containing the text 'interface.h'. A vertical blue arrow points upwards from the top center of this box to the bottom center of a gray rectangular box with a black border at the top, which contains the text 'communicator.h'.

interface.h
